

**USAID**  
FROM THE AMERICAN PEOPLE

**GENERATION NEXT**  
HUMANITARIAN FELLOWSHIP PROGRAM

# So... What's Next **GRAD??**

**Generation Next**  
**Humanitarian Fellowship Program**  
*Building tomorrow's humanitarian professional*

## WHO ARE WE?

The **Generation Next Humanitarian Fellowship Program** aims to expand the representation of professionals in the humanitarian sector by building a pathway for seniors and recent graduates of underrepresented colleges and universities in the U.S.

## What's in it for you?!

- **Paid** fellowship opportunity
- Numerous **overseas travel** opportunities (options)
- **Mentorship** by humanitarian assistance leaders
- Competitive **salary** and **benefits**
- Technical and professional **skills training**

## WHERE WILL YOU WORK?

Fellows will be placed at world-renowned humanitarian organizations that will provide technical guidance and a first-class immersive experience. Fellows can participate in the humanitarian field in a number of different careers such as social work, research, data analysis, report writing, nutrition and many more!

## WHO CAN APPLY?

This fellowship program is unique as it is open to recent grads (no more than 2 years after graduation) and graduating students, regardless of areas of study or undergraduate degree.

**Paid Fellowship Opportunity!**
